

# SURFACE

Sport Surfacing Products

Surface 1™ is a professional-grade brand of sport surfacing products for tennis, pickleball, basketball and multi-purpose courts and recreational areas. All Surface 1™ products were designed for ease-of-use and application.

## NEW SYSTEM!

### Sport Base Coating

FOUNDATION FOR LASTING COLOR

#### Description

Surface 1 Sport Coating Base is a 100% acrylic coating for tennis, basketball, pickleball, multi-purpose courts and recreational areas. Surface 1 Sport Coating Base is fortified with sand to provide a safe, non-slip surface. Our revolutionary formula provides superior hiding and durability with two coats.

### Tint Packs - 24 oz

PRECISION COLOR, SIMPLIFIED

#### Description

Surface 1 Tint Pack is a highly concentrated, water-based pigment dispersion formulated for use with Surface 1 Sport Coating Base and other Surface 1 neutral-based coatings.

## Court Resurfacer

REBUILDS SURFACE CONSISTENCY

### Description

Surface 1 Court Resurfacer is a 100% acrylic base coat for tennis, basketball, pickleball, multi-purpose courts and recreational areas. Surface 1 Court Resurfacer is fortified with sand to fill voids in asphalt and concrete pavement. Multiple coats may be needed to fill voids in new pavement surfaces, prior to application of Surface 1 Sport Coating Base.

Black

## Acrylic Crack Filler

FILLS CRACKS, RESTORES SURFACES

### Description

Surface 1 Crack Filler is a 100% acrylic crack filler for filling cracks in asphalt or concrete sport surfaces up to 1" in width. Surface 1 Crack Filler can also be used for minor depressions and surface imperfections.

Available in red, green, and neutral.

## Patch Binder

VERSATILE REPAIR PRODUCT

### Description

Surface 1 Patch Binder is an acrylic liquid designed for mixing with portland cement and silica sand. When properly mixed, Patch Binder is ideal for filling depressions up to 1/2" deep and cracks up to 1" wide. Leveling lifts should only be applied at 1/4" depth and built up to 1/2" max total. Patch Binder can also be used as a crack filler & concrete primer.

## Line Primer

PREPARES SURFACES FOR CRISP LINES

### Description

Surface 1 Line Primer is a 100% acrylic, clear drying primer that is applied between the masking tape and court surface to prevent paint from bleeding under the tape, ensuring sharp lines.

## Textured White Line Paint

DURABLE, HIGH-VISIBILITY COURT LINES

### Description

Surface 1 Textured White Line Paint is a 100% acrylic line paint designed for use on tennis, pickleball, basketball, and multi-purpose game courts. The highly pigmented formula provides superior hiding and a bright white appearance.
